Thank you for Christingling with us!

Dear Mrs Ward,

Thank you so much for joining us to celebrate Christingle this year. I'm always so inspired by the amazing services organised by supporters like you that light up the country on behalf of young people. I really am so grateful.

During the festive season, there were **more than 2,000 incredible Christingle celebrations** up and down the country – and **these services have raised more than £700,000!** Your astounding generosity will make a real difference for young people. Thanks to you, we're able to provide the vital support services children need and work with them to build a brighter future.

We hope you enjoyed celebrating Christingle as much as we did and that you'll join us in the coming year.

With best wishes,

Mark Russell

Chief Executive of The Children's Society

We'll continue to contact you by post about how you support children and young people. However, if you would like to hear from us less often, or not at all, please call our friendly Supporter Care team on **0300 303 7000** or email supportercare@childrenssociety.org.uk.

This week, the 16th of April everyone on the course learnt how to make and cook Chicken & Pork Schnitzels in their Air Fryer. We still have a couple of places available for the remaining 5 weeks. If you are interested, please ask at the school office.

If you're aged 19+ and do not already have a GCSE at grade C (or equivalent) in maths, Multiply is available to you.

On Wednesday morning, Malcolm Smith, a UK Parliament Outreach Officer, came in to give an assembly about the UK Parliament to KS2 children. We learned about the House of Commons and the House of Lords and the various stages a Bill must through before it becomes law. It was an interactive assembly, the children had the opportunity to practice debating a Bill proposal, 'Schools should have a four-day week'! It was an informative and engaging assembly, and we thank Mr Smith for coming to NBP.

Statutory Information

Leave of Absence

In September 2013 the Education (Pupil Registration) (England) (Amendment) Regulations 2013 came into force. These regulations make it clear that Headteachers should not grant approval for any leave of absence during term-time, including holidays, unless there are exceptional circumstances. These regulations also state that holidays cannot be authorised retrospectively. Any requests should be on an official school absence request form and handed into the school office for consideration prior to any holiday/leave arrangements being made.

You may be issued with a Penalty Notice should leave be taken which is not authorised. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996.
